

PRIVACY POLICY

Cloudexone LLC (“Cloudexone”, “we” “us” or “our”) has created this Privacy Statement, in order to demonstrate our Company's and its Subsidiary's commitment to privacy. The following discloses our information gathering and dissemination practices for our website www.Cloudexone-software.com as well as any events or initiatives that we may participate in. In general, you can visit Cloudexone's websites or our stalls at events without telling us who you are and without revealing any information about yourself. There are times, however, when we may need information from you.

Personal Information Provided By You to Cloudexone:

We may collect personal information such as your First Name, Last Name, E-mail Address, Job Title, Organization, Country, and City names and Phone Number. When you provide this information through websites or emails, it enables us to respond to your request for products or services, and we will, (wherever permissible by relevant laws), collect, use and disclose this information to third parties for the purposes described in this Privacy Statement.

By using Cloudexone's websites, associated microsites, and mobile applications, you agree to the processing of your information as explained in this Privacy Statement.

Cloudexone websites may contain links to other sites which are outside our control and are not covered by this Privacy Statement. We encourage you to review the Privacy Statement/Notice of each website you visit. You are at liberty to respond or not to respond to these inquiries, and any and all information provided is strictly voluntary. However, there are areas of the sites that require this information to complete certain functions and may not be available to those choosing not to reveal the information requested. You recognize and understand that there is no compulsion on you to provide us with your personal information and any and all personal information provided by you to us is with your full consent, and out of your own volition. You also understand that we are under no obligation to verify the source from which the personal information about you is provided to us, and they are deemed to be provided by you. Cloudexone uses this information to get valuable feedback from your experience on our website or on our events. In addition, Cloudexone may also use your personal information for its other business purposes to help serve you better in your business, be it by informing you of new services, products, alliances, or announcements etc.

Cloudexone does not rent, sell, or share personal information about you with other people or non-affiliated companies except to provide products or services you've requested.

When we have your permission, or under the following circumstances:

You may choose to give us personal information, such as your name and address or e-mail ID that may be needed, for example, to correspond with you, to download our white papers or to provide you with a subscription. If you tell us that you do not want us to use this information as a basis for further contact with you, we will respect your wishes. We intend to protect the quality and integrity of your personally identifiable information. We will make a sincere effort to respond in a timely manner to your requests to correct inaccuracies in your personal information.

Cookies, and other technologies

We sometimes collect anonymous information from visits to our sites to help us provide better customer service. For example, we keep track of the domains from which people visit and we also

measure visitor activity on Cloudexone websites, but we do so in ways that keep the information anonymous. Cloudexone or its affiliates or vendors may use this data to analyse trends and statistics and to help us provide better customer service. We maintain the highest levels of confidentiality for this information, and our affiliates and vendors follow the same high levels of confidentiality. This anonymous information is used and analysed only at an aggregate level to help us understand trends and patterns. None of this information is reviewed at an individual level. If you do not want your transaction details used in this manner, you can either disable your cookies or opt-out at the download or request page.
